-Began with the needs of 4/5 (and a blended classroom) and then built the rest of the schedule around 4/5

-Time at beginning/end of the day for classroom team building activities (Tribes or Caring Schools grant)

-PE/Music not yet scheduled

Motion to approve, Jeff; Seconded, Amber; All in favor

Please note that the schedule does not reflect how it will look when PE/Music are offered during a 9-week period.

IV. OAKS round 2 and 3 proposal (Melissa) 7 min. 2012-2013 OAKS Proposal: No Workshop groups on twelve consecutive Wednesdays, from mid February to mid May, for OAKS testing rounds 2 and 3 (in lieu of two full weeks of no groups). -Might be nice for the classroom teacher to have all students for 1 day per week

-Hard on students having a full week off from groups, this would provide consistency for teachers and students and avoid regression of skills and recoupment time

-Need feedback and input from 1st and 2nd grade teachers (won't impact Kinder since there are already no Kinder groups on Wednesdays); feedback from 3-5 teachers will also be solicited.
-Amber and Lupe will connect with the 3-5 and K-2 teams and get feedback to Melissa

*May be able to talk about it at our May 8th staff meeting

V. Begin discussion around the 12-13 Professional 15 min.
