

Kindergarten Orientation at Howard Elementary

700 Howard Ave.

541-790-4900

<http://www.howardelementary.org>

It's time to start thinking about where to send your kindergarten age child to school next fall. I would like to recommend Howard Elementary. With the caring guidance of dedicated staff, our students make academic gains while developing persistence and personal responsibility, qualities that are the cornerstone of life long learning. Students receive carefully planned instruction in all curriculum areas, including library, counseling, music, and physical education. Howard is a premier technology academy and students have access to their own laptop computer in grades 1 – 5, with Kindergartners enjoying a 1:2 student to laptop ratio. We have been honored, three years in a row, as an Apple Distinguished School; the only one in Oregon! Parents are considered essential partners at school and are encouraged to participate throughout the year. Howard is an exceptional place for children ~ we are a family, bound together through affection and shared goals. I invite you to visit Howard Elementary to learn more about the special experience we can provide for your child.

Please be sure and check our web site for additional information at <http://howardelementary.org> If you have any further questions please contact Lori in the school office at (541) 790-4900.

Warmly,

Allan Chinn, Principal
