2016/2017 Title I Parent Involvement Survey

Your child has been a participant in a Title I program/school during this school year. Title I is a Federal program designed to help students, and their schools, reach high academic standards. The purpose of this questionnaire is to gather information on how well the school communicates with parents and meets the needs of their child(ren). Please take a few minutes to respond to the survey link below. Your feedback will be used to enhance parent communication and involvement activities, along with developing better ways we can partner in the education process.

Thank you in advance for taking a few minutes to answer the following questions about your child's school.

Here is the link to the survey.
https://www.surveymonkey.com/r/RHXXLVX

2017/2018 Class Lists

Class lists for next school year will be posted in the fall on Friday, September 1st at 12:00. The office will be open until 2:30 this day, but class lists will be available when the office reopens after the weekend.

Free Lunches for Kids Ages 2-18

Food for Lane County operates one of the largest summer food programs in the state. They provide free meals to youth ages 2 to 18. Most sites open June 26. To see a list of lunch sites, please visit the FOOD For Lane County website, at http://www.foodforlanecounty.org/summerfood or email info@foodforlanecounty.org or call (541) 343-2822. The closest location is right next-door to us at River Road Park (AKA Emerald Park), which will serve lunch 12:00-1:00 pm June 26th-August 25th.

Direction Services Summer Directory

Each year Direction Service publishes The Direction Summer Directory with resource for recreation, respite, support, and service opportunities that families of children with disabilities can access during the summer months. https://www.directionservice.net/s/Direction-Service-2017-Summer-Directory.pdf

Fidgets and Toys

We’re writing to remind parents that students should not bring toys to school. This would include spinners, trading cards, action figures, etc. These items quickly become distractions in the classroom and create problems when they go missing or are traded at school. Please remind your child to not bring these items to school.

For those who benefit from having a fidget-type device at school, that can be part of a plan that is developed between the teacher and the family. We have an ample supply of less distracting fidgets at Howard.

Whirring, Purring Fidget Spinners Provide Entertainment, But Not ADHD Help

Fidget spinners - the trendy toy of the moment - are causing a commotion. A lot of kids love them, just as many teachers hate them and some people think they're more than just toys. Read more here: http://www.npr.org/2017/05/14/527988954/whirring-purring-fidget-spinners-provide-entertainment-not-adhd-help

Future Happenings

6/7 – Field Day
6/9 – Last Day of BEST
6/16 – School Carnival – 5:30 pm
6/16 – No School – Grading Day
6/21 – 5th Grade Graduation – 12:00 PM
6/22 – Last Day of School – 11:05 Dismissal
9/6 – First Day of School for 2017-18
FOOD FOR LANE COUNTY SUMMER FOOD PROGRAM STARTS AT MOST SITES JUNE 26

More than half of children in Lane County are eligible for free meals during the school year. But when school is out, those meals are not available. That’s where FOOD for Lane County comes in. We operate one of the largest summer food programs in the state, providing free meals to children and youth ages 2 to 18. This program fills an important gap for families with children when school is out. Most sites open June 26. To volunteer or for information about meal locations and times, go to foodforlanecounty.org/summerfood, email info@foodforlanecounty.org or call (541) 343-2822.

**KindTree Autism Camp and Retreat**

The weekend retreat is designed around the needs of those living with autism. Parents and caregivers can bring their children and relax in a safe and nurturing environment. Music, canoeing, arts and crafts, games, campfires, walks on the beach are all part of the weekend activities. The camp is at Siltcoos Lake near Florence, Oregon. Volunteer counselors are assigned to work one-on-one around the clock to provide care, supervision, and companionship. For more information or an application, email autism@kindtree.org or contact the Muscular Dystrophy Association by phone or online. Volunteer counselors are registered with the Muscular Dystrophy Association. This free camp will be held at Siltcoos Lake near Florence, Oregon. Registration forms are available online and available in April. Camp will be held August 24-27.

Person with autism—$150; family members—$75, with maximum fee of $300. Additional cabin fee of $25 per person.

Early Childhood CARES

Diagnostic & Treatment Service

The agency provides early intervention and early childhood special education services to infants, toddlers and preschool age children in Lane County. Children with suspected developmental delays may be referred by parents, preschool teachers, physicians or other service providers for a comprehensive screening. If screening indicates that a child may be eligible for services, further evaluations are recommended. Eligibility is determined according to state and federal requirements based on evaluation results. Services, which include counseling, family advocacy and family education, are available.

Families Connected is a program that addresses the needs of both parents and their children through support groups and quality respite care for children with disabilities and their siblings. Groups meet once a month from 6-8pm at the Arc office. Families can choose which groups to participate in, and their children attend a support group that addresses their specific needs.

Jump Start offers after school, Saturday, and summer activities for school age children 5-21 years. The program is free of charge, and participants must be enrolled in a special education program.

Respite Care and Support

Bridgeway House Social Groups

Activities for school age children 5-21 years. Children are matched with children of similar ages and skill levels and are separated by gender. The program provides families with the opportunity to work on social skills and build lasting friendships with peers. Children are matched with children of similar ages and skill levels and are separated by gender. Children are matched with children of similar ages and skill levels and are separated by gender. Children are matched with children of similar ages and skill levels and are separated by gender.

Art of Lane County Respite Support

For children in small facilitated settings, arts, crafts, games, and other activities are provided. Children are usually placed on a waiting list until there are enough clients of the same skill level and age to create a group.

The In-home Lifespan Respite Program offers relief care for families with children or adults with special care needs. The program provides families with a one-stop respite referral contact so that they can easily receive information about respite care in the community, regardless of the age of the person needing the care, or their special care needs.

Respite Care and Support

Emerald Family Down Syndrome Network

The Emerald Family Down Syndrome network is a group of families in the greater Eugene area who have created opportunities for their children through play, recreation, social groups, family trainings, mentoring, community access, and advocacy for children with disabilities and their siblings. Services include support groups, collaborations and coordinations to reduce isolation and build community. Services include support for families raising a child with a developmental disability. It fosters, collaborates and coordinates connections to reduce families’ loneliness and provide a support system.
